

“Full STEAM Ahead” Scrimmage Event

February 18, 2017, 10am-4pm
Center Grove Innovation Center
2797 Trojan Lane, Greenwood, Indiana, 46143

Schedule (subject to change)

10 am-11 am — open time on the field to check out the field and test out mechanisms.
11 am-12 pm — open practice time for robots
12 pm-12:30 pm — lunch break (teams are on their own for lunch)
12:30 pm-1:30 pm — match-style practice
1:30 pm-2:30 pm — open field time for practice
2:30 pm-3:30 pm — match-style practice
3:30 pm-4 pm — open time on the field for testing

Chairman’s Presentation Practice Opportunity!

Red Alert’s Operations team is also hosting a Chairman's Presentation practice in the collaboration space of the Innovation Center from 10 am-12 pm for any team interested in coming. Teams can come get practice for their presentations, get advice, or have any questions answered. If you’re interested in participating in this separate activity, please email scrimmage@redalert1741.org

Important Logistics Information:

Safety glasses must be worn inside the venue at all times, no exceptions. Please bring enough for your team and any guests you bring.

Space inside the scrimmage venue is very limited. We are planning on having a designated pit space for each team, but it will be smaller than an FRC event pit, so do not bring a full pit’s worth of stuff. There will be power provided.

There is no spectator seating. Observers will need to stand on the side to watch matches.

The area just outside the main entrance to the facility is reserved for loading and unloading. Please refer to the map for parking locations.

Center Grove High School is hosting a show choir event the same day as the scrimmage. Additional parking on the campus may not be available, so please try to consolidate vehicles when coming.

Directions & Parking

From the North:

- Take US 37 South from I-465 to Smith Valley Road, turn LEFT or EAST
- Take Smith Valley Road to Morgantown Road, turn RIGHT, or SOUTH
