

1st Annual Golf Outing

Winding River Golf Course Saturday, May 16th, 2015

Dear Red Alert Robotics supporter,

1741 Red Alert Robotics team will be hosting its 1st annual golf outing Saturday, May 16th 2015 at Winding River Golf Course.

The Red Alert Robotics program, based at Center Grove High School, provides students with an excellent introduction to engineering and other STEM related disciplines. We offer students a variety of activities to enrich their lives, but we are limited by financial constraints. We rely heavily on the generous support of outstanding businesses in our community, such as yours, to make donations to help defray the costs of our program.

We would like to offer several options for local businesses or individuals to participate.

Title Sponsor (\$1000) – Your business will become part of the name of this event and receive prime recognition throughout the sign up period as well as during and after the event. Signage will be most prominent in clubhouse area and around the course in at least 4 locations. In addition you are invited to field a team of 4 at no extra cost.

Platinum Sponsor (\$500) – Business name will be included on all literature relating to the event including special recognition during event. A sign with business name and contact info will be placed in prime location near clubhouse and in arrival/dinner area. For added visibility you will also have a sign at three holes. In addition two players are invited to play at no extra cost.

Gold Sponsor (\$250) – Business name will be included on all literature relating to the event including special recognition during event. A sign with business name and contact info will be placed in prime location near clubhouse and in arrival/dinner area. For added visibility you will also have a sign at two holes. In addition one person is invited to play in the event.

Silver Sponsor (\$100) – Contest hole sponsor. Sign with business name and contact info will be placed at a nearest the pin hole or the long drive hole. You will get recognition for providing the prize for the winner of this contest hole.

Drinks Cart Sponsor (\$75) – Your sign will be placed on the drinks cart that travels around the course with refreshments throughout the day giving excellent visibility to all participants. Special thanks will be given during awards. (There may be more than one sponsor associated with the drinks cart but equal signage space and visibility will be given to all sponsors).

Hole Sponsor (\$50) – Business name will appear at one hole on the course.

All sponsors are invited to submit players for this event at \$50 per person or \$200 per team of 4.

In addition to these opportunities donations are being requested for silent auction items. We appreciate any size donation you are able to make. If you have any requests or particular ideas as to how you can participate please do not hesitate to get in touch and we will do our best to accommodate you. All sponsors are encouraged to supply coupons, flyers and/or promotional merchandise that can be included in a swag bag to be given to each participant. This is another opportunity to get your company name out there and attract new business from the attendees and their families.

Your business name will be listed and thanked publicly in our flyer distributed to all in attendance at the golf outing. As a bonus all sponsors will be listed and thanked on the team website and through their social media sites.

Checks should be made payable to Red Alert Robotics or use the PayPal button on the Red Alert website:

<http://golf.redalert1741.net>. A letter confirming your donation will be issued on receipt of payment. Please contact Valerie Schmoll at valerie.schmoll@hp.com, and she will be happy to arrange a time to pick up your donation or answer any questions.

Our parents, mentors and students all appreciate your support and donations. Thank you very much in advance for your generosity!
