

RARPO Scholarships

Objective of the Program

To provide funding to Center Grove students who wish to participate in the Red Alert Robotics Program but have a financial need.

Requirements for Participation

1. Full and partial financial scholarships are based on need and funds available.
2. To be considered for a scholarship, the following Scholarship Application should be filled out by the parent and student.
3. The student must maintain good attendance, be academically eligible, **and** be active in fundraising efforts.
4. Return the completed application by one week after the first mandatory parent meeting of the school year.
5. Any unused credit afforded to student will be returned to RARPO. No refunds will be given.
6. Once a scholarship has been decided upon by the RARPO President, Operations Mentor, and Head Mentor, each party will need to agree to scholarship and/or payment terms.
7. Any balances that remain outstanding will be due upon team due dates.
8. Partial and full scholarships will be awarded based on need and funds available. If a student/parent portion is required and not met, then the RARPO contribution will not be awarded and will remain with RARPO.

Assistance Evaluation Criteria

1. Scholarship awards will be prioritized on financial need, merit, and past efforts to comply with scholarship requirements.
2. An effort to make the initial payment at the mandatory parent meeting will be taken into consideration.
3. The amount of assistance requested will be based on need determination and the availability of funds, and determined by the RARPO President, Operations Mentor, and Head Mentor.

Scholarship Program Application

RARPO offers full and partial financial assistance scholarships and will be privately and confidentially determined by the RARPO President, Operations Mentor, and Head Mentor. Determination is based on the need and funds available. For consideration, please fill out the following and email to President@RedAlert1741.org. **APPLICATIONS are due by the final installment date. Exceptions may be made at RARPO discretion and upon availability of funds.**
